BOWLAND TRANSIT CLUB

Changes to B1 and B10 / B11 at the end of October

Major changes will be made to the Bowland Transit services from 31 October 2011 following a review by Lancashire County Council (LCC). Existing services B1, B10 and B11 will be withdrawn and replaced by new through services 10, 10A & 11, as follows:

Service 10 Clitheroe - Dunsop Bridge - Newton - Slaidburn - Settle

This new Bowland Transit service, replacing services B1, B10 and B11, will operate two-hourly on Monday to Saturday daytime from Clitheroe direct through to Settle via Bashall Eaves, Cow Ark, Whitewell, Dunsop Bridge, Newton, Slaidburn, Tosside, Wigglesworth and Rathmell.

All morning and afternoon peak journeys will be maintained, as currently operated by services B10/B11, with certain journeys running through Waddington, renumbered service 10A.

Service 11 Settle - Horton-in-Ribblesdale

This new Bowland Transit service, replacing service B1, will operate two-hourly on Monday to Saturday daytime, in conjunction with new service 10, from Settle to Horton-in-Ribblesdale via Langcliffe and Stainforth.

Little Red Bus will take over operation of both routes on behalf of Lancashire and North Yorkshire County Councils. They will use 16 seat low-floor minibuses, which are thought by LCC to be better suited to the rural roads and the level of passenger demand.

A dedicated school bus, numbered 510, will be provided for the students entitled to free home to school transport attending Bowland High School and Clitheroe Royal Grammar School from Bashall Eaves, Cow Ark, Whitewell and Dunsop Bridge.

The section of the existing route between Newton and Waddington (via Waddington Fell) will no longer be served on most journeys with these revisions. On average there are less than 5 weekly passenger trips made to/from this section.

The timetable for the through services is reproduced overleaf, and paper copies should be available shortly from the usual outlets. Details also appear in the DalesBus Winter Timetable but this does not include the extra buses between Slaidburn and Clitheroe.

Dales & Bowland Community Interest Company

The Winter DalesBus timetable is now available both in booklet form and online at www.dalesbus.org Every Sunday buses run up Wharfedale to Buckden and on the Cravenlink services between Skipton and Ilkley. Once a month services 883/884 extend to Malham. Service 856 between Hawes and Northallerton continues over the winter and from 30 October a connecting service will operate between Garsdale station and Hawes on bus 855. Closer to Bowland are improvements to service 872 between Burnley and Skipton. Links will be provided with service X43 from Manchester and there will be more buses on the stretch south west of Skipton. An additional service will link in Earby.
