Autumn 2008

BOWLAND TRANSIT CLUB

With such an abundant wealth of history in Craven, north Ribblesdale and Bowland most of the Saturday walks in the Summer programme offered ramblers a chance to discover more about life in days gone by in these fascinating places. From the “drowned” Stocks village to bustling Skipton and Settle, participants on these walks have learned about the communities, buildings and characters to be found in the towns and villages within these areas.

In contrast, many of the Wednesday and Thursday outings explored a wide area from Garstang and the Lancaster canal in the west, eastwards across to Slaidburn.

The weather did it's best to dampen waterproofs but not enthusiasm as most walks have been well attended gaining the Bowland Transit Club some new members who have enjoyed a varied summer of walking.

Enclosed with this Newsletter is the new Autumn Walks Programme. It has been somewhat difficult to compile due to changes in the bus timetable but we hope you will come along and join us for another series of (hopefully drier) walks.

Please note that membership subscriptions were due on 01 September. If you have not paid by 01 December 2008 we will assume that you no longer wish to be a member of the Bowland Transit Club and your details will be deleted from the database.
