

Memberships

At the Executive Committee Meeting of the Bowland Transit Club held on Saturday, 21 June it was agreed that the Club must become self supporting, with such costs as stationery, postage, newsletters and insurance to provide. It was suggested that these should be reasonable and be set at £5 per Individual or £6 per Household (one address) and that in addition to the founder members, any new members be encouraged to join after coming on three guided walks. These subscriptions will be due on 1st September 2008.
