

Features of the RICHMONDSHIRE ROVER

- The Richmondshire Rover provides access to the shops and services on offer at Teesside Park and in five different market towns without having to change buses. These towns are Northallerton, Barnard Castle, Bedale, Ripon and Richmond, the destination depending on the day of the week. The Richmondshire Rover timetable allows at least an hour and a half, and often more time, to spend at the destination before returning home.
- By changing in Bedale on Tuesdays and Thursdays passengers can catch Dales and District service 73 to Northallerton and spend up to an hour and a half there. This is in addition to the Market Day service direct to Northallerton on Wednesdays which allows 2 hours 35 minutes there. This extended time facilitates say a visit to an outpatients clinic or relative in hospital (subject to special visiting permission) at the Friarage, or an appointment with the many specialist professional services in Northallerton, or a visit to County Hall.
- In addition the core Richmondshire Rover service runs twice a day, five days a week, between Catterick Village, Scotton, Tunstall, Princes Gate and Richmond. On Saturdays our Swaledale Shuttle bus provides a service between these places - please see separate timetable leaflet for details.
- The core Richmondshire Rover service leaves Catterick Village at 0930 running via Tunstall and Scotton, and allows time for a swift morning shopping visit to Princes Gate (1 hour) or Richmond (50 min), before returning on the same route to Catterick Village. Thursdays are slightly different - please check the timetable for details.
- Similarly the core Richmondshire Rover service on Monday - Friday leaving Catterick Village at 1440 allows time for a quick afternoon shopping visit to Princes Gate (40 minutes) or Richmond (30 minutes), before returning to home. Thursdays are slightly different, allowing a slightly longer stay - please check the timetable for details.
- The Richmondshire Rover does not run on Saturdays, Sundays or Bank Holidays.
