

DalesBus 59

Harrogate - Skipton

We're sorry to advise that DalesBus 59 is currently suspended during the closure of the A59 at Kex Gill for emergency repairs. Very few people used the service during the diversion via Ilkley, and the diversionary route is now subject to additional roadworks and delays at Manor Park from 18th March. We're sorry for the inconvenience caused. A full service will resume every Saturday as soon as the road reopens.

An alternative bus to Bolton Abbey runs on DalesBus route 74 on Saturdays, departing Harrogate at 0925 and returning from Bolton Abbey at 1725.

Cravenlink bus 873 runs between Skipton and Bolton Abbey on Sundays and Bank Holidays.

DalesBus 59 is operated by the Harrogate Bus Company 01423 566061
with financial support from Dales and Bowland Community Interest Company as part of the DalesBus network.
